

# FRIENDS OF ST IVES SCHOOL PTA IN COLLABORATION WITH ST IVES BOOK SELLER

## PAY IT FORWARD SCHEME...

Over 25% of local children in St Ives live in financial hardship and this increases significantly through the winter months due to seasonal working!

Having access to books is proven to help with academic attainment and future success.

### CAN YOU HELP A LOCAL CHILD!!!

We offer you the opportunity to share the books you love with children who may not be able to afford them!

Our pay it forward scheme wishes to promote equity for all children, some of whom may not have easy access to books. In donating, you can help this vision to become a reality. Please help the Friends of St Ives school PTA and St Ives Book Seller increase book ownership for local children.
